

1 **REMARKS**

2 Claims 1 and 26 are currently amended. Claims 10-25, 27-30, and 39-64
3 are canceled without prejudice. Claims 1-10, 26, and 31-38 remain in the
4 application for consideration.

5
6 **Allowable Subject Matter**

7 In the Office's last Office Action, the Office indicated at page 20 that claim
8 25 is objected to as being dependent upon a rejected base claim, but would be
9 allowable if rewritten in independent form including all of the limitations of the
10 base claim and any intervening claims. Claim 25, which originally depended from
11 claim 24, which in turn depended from claim 23, which in turn depended from
12 claim 22, which in turn depended from independent claim 1, is presented in
13 independent form in claim 1, which now recites the limitations of claims 22, 23,
14 24 and 25. Accordingly, Applicant submits that claim 1, as amended to include
15 the limitations of claims 22, 23, 24 and 25, is allowable.

16 Further, claims 2-9, 26, and 31-38 depend from claim 1 and are allowable
17 as depending from an allowable base claim.

18 Claims 10-25, 27-30 and 39-64 have been canceled. Applicant reserves its
19 right to file one or more continuation applications to further pursue subject matter
20 that it believes it is due. Accordingly, cancellation of these claims is not to be
21 construed as an admission as to the propriety of the Office's rejections.

22
23 **Conclusion**

24 The claims are in condition for allowance. Accordingly, Applicant requests
25 a Notice of Allowability be issued forthwith. If the Office's next anticipated

1 action is to be anything other than issuance of a Notice of Allowability, Applicant
2 respectfully requests a telephone call for the purpose of scheduling an interview.
